Porsche Approved Warranty.

COMMITTED TO QUALITY. COMMITTED TO THE CREST.

Fascination Sports Car. We rethink this every day.

What could be better than driving a Porsche? Nothing. To ensure it stays that way, we offer you our Porsche Approved Warranty programme. Every single Porsche was built to move you. And to be moved. Over every kilometre. And so it will remain, because we are committed to the crest.

Porsche stands not only for performance and an unforgettable driving experience, but also long vehicle life. This is a clear indicator that we are committed to exceptional quality and reliability. So much so, that we would like to give you that commitment in writing.

Whether you would like to extend your existing warranty (Warranty Extension) or your vehicle is no longer under warranty (Stand-alone Warranty), a Porsche Approved Warranty will give you peace of mind up to 10 years.

As you would expect, the Porsche Approved Warranty is comparable to our new car warranty and is 100% Porsche.

Like your car, we want to ensure your Porsche Approved Warranty also stands for reliability and trust. This means openly stating what will not be covered under a Porsche Approved Warranty and why.

As your Porsche ages, it can undergo visual and acoustic changes without affecting its functionality (e. g. worn leather). Also certain parts are subject to ageing and natural wear. For this reason your Porsche has scheduled service and maintenance intervals. Visual and acoustic concerns, wear and tear are not defects and are therefore excluded from the warranty.

Committed to exceptional quality and reliability with unrivalled trust and transparency – the Porsche Approved Warranty provides complete reassurance for the road ahead.
