APPROVED

Porsche Approved Warranty.

PRICE LIST.

Protect your investment with Porsche Approved Warranty.

Your Porsche is a masterpiece of engineering, but even the most advanced machines need maintenance and repair. With Porsche Approved Warranty, you can enjoy comprehensive coverage and protection for your Porsche.

Porsche Approved Warranty offers a variety of exclusive services and features that make your Porsche experience even more enjoyable thanks to the peace of mind they provide.

The premium care ensures the longevity and value preservation of your Porsche. In case of a resale, the vehicle-specific Porsche Approved Warranty even enhances the value of your Porsche, as you can transfer the remaining warranty coverage to the new owner, which adds value to your vehicle and makes it more attractive to potential buyers.

Porsche Approved Warranty

Porsche Approved Warranty guarantees professional repairs, carried out by certified Porsche technicians using only Genuine Parts.

Superior convenience

With the Porsche Approved Warranty, you can permanently enjoy the excitement and peace of mind of the first day. Enjoy 12, 24 or 36 months of all-round carefree protection for vehicles up to 15 years old without excess and redeemable worldwide. Your warranty covers all components of your Porsche, except wear and tear parts, reliably protecting you from unexpected repair costs.

We've got you covered.

Warranty types

All three warranty types may only be issued by the official Porsche dealer in your country.

Regular warranty

The regular warranty is a Porsche Approved warranty provided by a Porsche dealer to customers when selling a pre-owned vehicle.

Extension warranty

The extension warranty is a Porsche Approved Warranty that is granted while a new vehicle warranty or Porsche Approved warranty still exists.

Stand-alone warranty

The stand-alone warranty is a Porsche Approved Warranty that can be purchased at a time when there is no Porsche new vehicle warranty or Porsche Approved Warranty.

The warranty would be granted after a successfully completed 111-point check, if your vehicle does not currently have any Porsche warranty protection.

Porsche Roadside Assistance

All warranty packages come with Porsche Roadside Assistance so you can enjoy peace of mind knowing that help is always near, should something unexpected happen to you on the road. Benefits include:

- 24/7, 365 days assistance
- Towing to nearest authorised dealer
- Flat tyre change
- Battery jump-start
- Lockout assistance
- Vehicle hire

Terms and conditions apply.

Get the expert care that fits your Porsche.

This Warranty Extension Programme covers the operational functionality of all parts belonging to the following components of your Porsche:

- Engine
- Fuel / Cooling system
- Power train / Transmission
- Suspension / Steering
- Brake system
- Heating / Air conditioning
- Electrical system
- Body

The Warranty Extension Programme also includes Porsche Assistance, to give you extra peace of mind in the unlikely event of a breakdown.

For further information, please visit your nearest Porsche Centre or call 800 918.
